Request for Email Account and Other Resources for Contract Employees

For contract employees to qualify for an email account in the ccboe.us/calhoun.k12.al.us domain, they shall have a contract on file with Personnel and perform work for Calhoun County Schools on a regular basis. If Calhoun County Schools has a contract with an agency to send "consultants" to Calhoun County Schools on an as needed basis, they generally do not qualify and should use the email account provided to them by the agency. However, we will review all requests.
