Enhancements to MOS Website Require Re-registration

Due to recent enhancements to the Member Online Services (MOS) website, current MOS users will need to re-register. This should only take a few minutes. Please note that you will need your PID for registration. It can be found on previous RSA statements or recent correspondence. If you do not know your PID, please click [Need a PID? \(Request PID Letter\)](#) for steps to have your PID mailed to you at your current mailing address on file with the RSA.

Thank you for taking the time to re-register.

Use Member Online Services to:

- View your account details
- Update your contact information
- Make requests to the RSA
- Check the status of your requests
- Enroll in PEEHIP or Change Coverage(s)
- Make PEEHIP Payments

Every employee will need to create a new account. ALL accounts registered before June 2017 were inactivated. We will go through the different options and how to make changes/enroll.

If you are needing to Enroll or Change your PEEHIP coverage, you will want to select this option.
