2. A narrative of the Board's efforts over the past year to address the recruitment, hiring and assignment of faculty and certified staff.

The Personnel Plan for Certified Positions (“the Plan”), approved by the parties in 2010 and attached to this report as **Exhibit “A”**, continues to provide the foundation for the Board’s recruitment and hiring efforts. The Plan has produced significant changes in the district’s hiring process including the advertising of all certified vacancies on the State Department of Education’s website; centralization of the application process; establishment of a central Employment Committee; and development of an applicant database that allows the district to track, sort, and monitor applicants based upon credentials, degree, race, and other key factors. The district is confident these changes have provided a pool of better qualified applicants and have enhanced its minority recruitment efforts. As provided in the 2015 Decree, the Board engaged consultants³ provided by the Southeastern Equity Center to review its hiring and recruiting measures, to identify new strategies to accelerate and better sustain its minority

recruitment and retention efforts, to revise the Personnel Plan as needed, and to identify other initiatives that will aid the District in its faculty and staff recruitment and hiring efforts. The Board continues to work with the consultants and plans to continue to collaborate with them for as long as they are available and willing.⁴

The Board continues to employ the strategies and efforts described in the 2015 Report, including but not limited to participation in the Student Internship program with nearby Jacksonville State University (“JSU”); promotion of an inclusive and welcoming environment for all persons regardless of race through its website posting, social media activities, and other promotional efforts; continued use of the “Focused on Success for ALL” campaign first described in the Annual Report to the Court filed October 15, 2010;⁵ use of promotional videos that convey the welcoming nature of the district’s schools on the district’s website (www.calhoun.k12.al.us) under the following titles: (1) Focused on Community, (2) Focused on Excellence, and (3) Superintendent’s Message; broadcast of the District’s message from a large screen television mounted in the main entrance area of the Central Office, where all employees and visitors are greeted by a continuous slide presentation that integrates the “Focused on Success for All” theme with photographic images of students and faculty selected to exemplify the district’s welcoming, diverse and inclusive environment; and positive use of Twitter accounts to “tweet” out good news and images that vividly portray the diverse face of the school system and its friendly, welcoming climate. Copies of representative Twitter postings from throughout the system are attached as **Exhibit “B”**.

⁴ Both Dr. Elam and Dr. Roberts most recently met with the school district on September 21st and 22nd of this year. Counsel for the United States, Plaintiffs and the Board were able to attend those meetings and to engage in discussions about personnel, student discipline and the district’s efforts under the Consent Decree.

5. The following reports regarding the hiring process for full time teachers, principals and assistant principals, certified staff and administrative staff at the Central Office:

a. The number and race of applicants applying for employment.

As noted above, information regarding applicants by individual position is contained in the Applicant Report attached as **Exhibit “C”**. The data is reported alphabetically by school and by race and provides information about the applicants, persons interviewed, and persons hired for each posted position.

Total applicants for teaching, administrative, and other certified staff positions are as follows:

Black	389	13.6%
Other	104	3.6%
Total	2865	

- b. The number and race of those granted interviews for vacancies.

The totals of those applicants who were referred for interviews⁶ by the employment committee and those who were actually interviewed are reflected in the following tables:

⁶ In an effort to broaden the minority applicant pool, the Employment Committee often refers applicants for interview who reside outside the Board's immediate geographic area. Telephone interviews are sometimes used for applicants for whom travel would be prohibitive. Documentation shows that several applicants either declined to be interviewed for various reasons or could not be contacted after repeated attempts.

The totals of those hired for teaching, administrative, and certified staff positions are as follows:

A summary of participation in the Professional Development and Mentorship Program (Aspiring Administrator Academy) and all related materials are included in **Exhibit “K”**.

III. Information Required by Section V.C.24 of the 2015 Decree

1. A report containing all discipline data collected pursuant to paragraph 15 above for the immediately preceding school year.

Reports of discipline data are attached as **Exhibits “L”, “M” and “N”** to this report.

2. The Discipline Administrator's evaluation of discipline data conducted pursuant to paragraph 15 and a description of all corrective action undertaken by the District as a result of that evaluation.

Donald Turner has been the district’s Discipline Administrator over this last year. Mr. Turner pulled infraction and discipline data, and reviewed the data with a focus on ensuring that infractions matched dispositions. The District was also evaluating whether infractions decreased as expected from implementation of the CHAMPS PBIS program and the use of recommended classroom management strategies. The Board did see decreases system-wide in the minor and intermediate violation categories. These decreases are attributable to the implementation of the CHAMPS PBIS program and the associated recommended strategies. Although the data showed decreases in discipline, those decreases were across racial categories and did not result in an immediate reduction in disproportionality where it had existed.

The District called upon Drs. Elam and Roberts, the District's consultants, to assist with analysis and follow up measures. A site visit was held on September 21-22, 2017 with the consultants from the Equity Center, Natane Singleton and Earnestine Sapp to review end-of-year discipline data, as well as discuss components of the consent decree. The discipline data confirmed that the results of the second year of CHAMPS implementation were positive. Overall the District saw a noticeable decrease in disciplinary infractions for all schools and subgroups. For example district wide minor infractions went from 1262 in 2016 to 745 in 2017. Intermediate infractions went from 3021 in 2016 to 2144 in 2017.

The District's Discipline Consultants suggested that the District conduct additional CHAMPS PBIS training with the schools as needed and for new teachers. The meetings on September 21-22 also included school visits to interview teachers, students and administrators and a panel discussion with administrators across the district to discuss progress. The consultants were very pleased with the progress made by the district.

3. All handouts, power points, agendas, and other materials used in connection with the District's mandatory PBIS training program.

All such materials were provided as part of the 2015 Report as Exhibits "I-1" through "I-2" and "J-1" through "J-16". An example of additional materials used to implement the classroom management component of the District's PBIS program is attached as **Exhibit "O"**.

4. Documentation, including but not limited to sign-in sheets, showing the names and positions of all instructional faculty and staff who received mandatory PBIS training and the date(s) on which they received it.

All such documentation was provided as part of the 2015 Report as Exhibits "J-1" through "J-16".

CALHOUN COUNTY SCHOOLS

Personnel Plan for Certified Positions

I. Introduction

In November 2009, the Calhoun County Board of Education (“Board”) entered into a Consent Decree in the long-standing desegregation case of *Lee v. Macon*. Among the provisions in the Decree was a requirement that the Board develop a personnel plan. For the purposes of the Decree, the Plan was to be designed to help the Board meet its desegregation obligations with regard to personnel. Thus, the primary objectives of the Plan include the identification, recruitment, hiring and retention of minority teachers and professional employees. The Board believes that the measures employed in the Plan will further those primary objectives, not through racially based hiring practices, but through broad-based efforts to locate excellent candidates, particularly minority candidates. The Plan is a process designed to increase awareness of and access to those candidates by those involved in the hiring process. The Plan is also designed to reinforce Calhoun County’s commitment to a non-biased, inclusive environment for all employees, regardless of race. While implemented in conjunction with a Consent Decree, the Board believes the measures in the Plan constitute best practices, and that its provisions will serve the Board for the term of the Decree and well beyond.

II. Enhancement Initiatives

The Board believes that a comfortable, welcoming, and friendly environment for minority employees is essential for success in its recruiting and hiring efforts. The Board will embark on a system-wide campaign designed to reinforce its commitment to inclusiveness and community, targeted toward employees, students, parents, and other community members. The campaign is expected to involve the following components:

1. *Development of a theme.* The Board has in place a system motto, “Focused on Success,” which is integrated into its system seal and used in promotional materials. The Superintendent has proposed modifying that established motto in a way to communicate the desired message, changing it to “Focused on Success for All.” This new motto will replace the old one and be formally adopted by the Board. The seal will be modified and modernized as well.
2. *Promotion of the theme.* The “Focused on Success for All” theme will be introduced by the Superintendent as a “teaching opportunity” and schools will be involved in developing materials supporting the theme. Opportunities for engaging students in the process may include poster contests, classroom competitions, school forums, student development of recruiting and promotional materials, character education/curriculum components and other like methods. By integrating students into the process, current employees will also be engaged in the efforts. The Board believes that such a “ground up” approach will have a more meaningful and sustainable impact than a Central Office driven approach.

3. *Promotion of the campaign.* Materials will be developed to promote and reinforce the campaign to the communities the Board serves and to prospective employees. Materials will provide information about the school district and will portray and emphasize inclusiveness, diversity, community, and equal opportunity. Materials will be appropriate for use in teacher recruiting efforts, as well as efforts within the district to communicate the district's commitments to students, parents, teachers, and other community members. The Board intends to use student/teacher developed resources as the basis of promotional materials, recruiting materials, community announcements, and Board communications used in the campaign. The Board will publicize its efforts on its website, through in-house communications and other cost effective communication vehicles (i.e. school marquees, school publications, donated advertising space, discussions and editorial submissions to the press, and other advertising opportunities). The campaign will be multi-dimensional and designed to reach a broad audience, reinforcing and demonstrating that the school system is a place where all are welcome and are appreciated.

III. Equal Opportunity

The Board recognizes that an effective educational program depends, to a large extent, on the excellence of the personnel employed in the school district. Consistent with this philosophy, applicants for positions will be selected on the basis of qualification, merit, and professional ability. No person shall be denied employment or advancement or

be subjected to discrimination in any program or activity on the basis of gender, age, race, national origin, ethnic group, marital status, religion, veteran status, or disability.

IV. Identification and Recruitment Initiatives

In keeping with its commitment to promote opportunity within the teaching force, the Board seeks to broaden and increase the pool of applicants for teaching, administrative, and other certified positions through active recruitment and targeted marketing efforts. Such efforts include the following measures:

1. Regular participation in teacher recruitment and career fairs, including but not limited to Jacksonville State University's Career Fair in Jacksonville, Alabama; North Alabama Connection: Professional Employment Day (NACPED) in Huntsville, Alabama (participating schools are Alabama A&M University, Athens State University, Calhoun Community College, Oakwood University, University of North Alabama, and Wallace State Community College); Alabama State University's Teacher Recruitment Fair in Montgomery, Alabama; Alabama A&M University's Teacher Ed Day in Huntsville, Alabama; Talladega College's Career Fair in Talladega, Alabama; and similar events involving other state colleges and universities with education programs, including HBU's such as Tuskegee University, Miles College, and Stillman College.
2. Promotion of the "Focused on Success for All" initiative, including the use of brochures, posters, newspaper advertisements, advertisements in professional and student publications, slideshows, videos and other promotional materials. Such

materials will also be used to “market” the Board to potential applicants as part of the other measures described in this Plan.

3. Development of relationships with placement offices and colleges of education at nearby institutions of higher education, including historically black colleges and universities (HBCUs) throughout Alabama. Such efforts will include written communication from the Superintendent and other recruiting staff, distribution of promotional materials, campus visits, offers to conduct guest lectures in education classes, and similar activities designed to broaden opportunities for teacher recruitment.
4. Continued participation in the Student Teacher / Internship program of the College of Education at Jacksonville State University, including efforts to recruit students who perform satisfactorily in student internships in district schools.
5. Development of partnerships with local community colleges designed to encourage and guide candidates toward careers in education.
6. Development of cooperative efforts with neighboring city school systems to identify measures that have proven successful in recruiting and hiring minority applicants and to consider opportunities to work together toward mutual goals.
7. Implementation of initiatives to promote and encourage careers in education among district high school students through targeted marketing efforts, implementation of Future Educator organizations at local schools, education career fairs, career counseling, advisement regarding scholarship opportunities for

education majors, presentations by local colleges of education, dual enrollment initiatives, and other alliances with local colleges and universities.

V. Vacancy Postings

Vacancies for certified positions are announced by posting positions in accordance with applicable law and policy. Such announcements are physically posted at the Central Office, local schools, and work sites. Vacancies are also announced on the district website (www.calhoun.k12.al.us) and the Alabama State Department of Education's website (www.alsde.edu/TeachInAlabama).¹

VI. Application Process

Applicants for teaching positions, administrative positions, and other certified positions, must complete ALL of the following steps:

1. Complete an online application at the Alabama State Department of Education's Teach in Alabama website (www.alsde.edu/TeachInAlabama) and include the following attachments with the application: valid Alabama Teacher's Certificate, college transcript(s), verification of highly qualified status and current resume.
2. Once the online application is completed, including all attachments, the applicant may apply for any posted vacancy by clicking on the "Jobs" link on Teach in Alabama and selecting all Calhoun County Schools jobs for which he or she would like to apply.

¹ As of January 2010, the Board is also evaluating the Troops to Teachers program to see if that program will be helpful in its efforts. The Board has requested information from the Program about its success with similar districts.

3. To finish the application process, the applicant must complete a **Statement of Interest** form available under the Employment Opportunities link on the Calhoun County Schools website (www.calhoun.k12.al.us) and must also **print and sign** one paper copy of the completed Teach in Alabama application (including all attachments). Both the Statement of Interest form and the signed application with attachments must be mailed or hand-delivered to the following address:

Calhoun County Board of Education
ATTN: Employment Committee
P.O. Box 2084
Anniston, AL 36202

Only **ONE** signed paper application should be submitted by the applicant during each school year regardless of the number of vacancies for which the applicant is applying. The Statement of Interest form allows the applicant to indicate all vacancies in which he or she is interested. If the applicant later applies for additional vacancies, it is necessary to submit only a new Statement of Interest form, which will be included with the signed application already on file. A new signed application need not be submitted unless applicant information has changed so that updates are needed.

VII. Receipt and Maintenance of Applications

All signed applications and accompanying Statement of Interest forms are received and processed at the Central Office. Each applicant will be entered into the local applicant database by the Personnel Clerk or other person assigned those duties. Upon entry into the database, each applicant is assigned a sequential applicant identification number. Applicants in the database can be sorted and searched by number, name, position

applied for, race, date of application, highest degree, category of position (teacher, administrator, or other certified), certificate, areas of endorsement, and highly qualified status.

All applications, attachments, and supporting documents are maintained on file and available for consideration for a three-year period from the date of submission. As an additional back-up measure, the district has requested that online applications submitted through the Teach in Alabama website be archived and maintained for a three-year period by SearchSoft, the website administrator.

After applicants are entered in the local database, a Certification Specialist for the district reviews applicant information to verify certification and highly qualified status. Once certification and highly qualified status are verified, the application is forwarded to the Employment Committee for further consideration.

VIII. Employment Committee

The Board has established an Employment Committee to review and evaluate applications, select applicants to be interviewed, review hiring recommendations by local administrators, and otherwise advise the Superintendent on hiring matters. The Committee is appointed by the Superintendent and is comprised of no less than three persons, at least one of whom is a minority employee.²

² Current practice is to appoint three regular members and two alternate members who may act in the regular members' absence. At least one African-American employee shall be included as a regular member and one African-American employee shall serve as one of the alternates.

The Committee shall meet as needed to review applications for vacant positions within the school system and to select qualified applicants to be interviewed for those positions. In selecting applicants to be interviewed, the Committee may consider information obtained from the application documents and other supplemental and reliable information available to it, which may include information from college instructors, teachers who supervised applicants during internships, local administrators, the Superintendent and other Central Office administrators, prior employers, and other sources with reliable information regarding applicants. The Committee may take other such measures to evaluate applicants as it deems appropriate. In addition to those applicants who have applied for a specific vacancy, the Committee may elect to identify additional applicants for consideration through use of the Teach in Alabama applicant tracking system or the local applicant database. In making its interview recommendations, the Committee will also consider the needs of the school district as a whole, including specifically the district's desegregation obligations.

For each posted teaching or other non-administrative vacancy, the Committee will refer applicants to be interviewed, and no applicants other than those identified by the Committee shall be interviewed without the express prior approval of the Committee. Employment Committee members are authorized to monitor local interviews as deemed appropriate.

For administrative vacancies, the Committee will refer all applicants and applications to the Superintendent and may advise the Superintendent as requested. The

Committee will maintain in an orderly fashion all records evidencing its review of applications and interview recommendations.

IX. Interview and Employment Recommendation Process

Upon the referral of applicants by the Employment Committee to a local school, the local school administrator becomes responsible for scheduling interviews for the vacant position at his or her school or worksite. All local schools are to establish committees for the purpose of interviewing applicants. The school principal will participate as a member of each local interview committee. All applicants referred by the Employment Committee must be interviewed or documentation of good and valid justification as to why no interview was conducted must be provided.

After the interview process, employment recommendations must be submitted by the local school administrator to the Employment Committee in accordance with submission guidelines established by the Superintendent. A recommendation cannot be submitted until the posting for the vacant position has expired.

All recommendations will be reviewed by the Employment Committee, and the Employment Committee will forward the recommendation, along with such other information as deemed appropriate (which may include an alternative recommendation by the Committee), to the Superintendent for consideration. After considering such information, the Superintendent will determine what, if any, recommendation will be made to the Board.

In the case of administrative positions, the Superintendent is responsible for evaluation of candidates, interviews, and selection of candidates to be recommended to the Board for employment.

X. Transfer Requests

Certified personnel may submit a request for a transfer at any time a desired position is posted. A request for transfer is initiated by submitting a Statement of Interest form to the Employment Committee. The employee is also required to forward copies of the Statement of Interest to the employee's immediate supervisor / local administrator and the supervisor / administrator of the desired position. The transfer request is valid only for the identified vacancy. Transfer requests will be reviewed by the Employment Committee along with all other applications for the posted vacancy in selecting applicants to be interviewed, taking into consideration the objectives and obligations of the Consent Decree.

XI. Notice and Training

The Superintendent will ensure that all principals, administrators, faculty and certified staff are informed of the provisions of the Personnel Plan for Certified Positions, including all application procedures, required forms, review of applications, selection of interview candidates, interview procedures, and the process for making final hiring recommendations to the Board. A copy of the plan will be posted on the system website for review by applicants and current employees. Training regarding the plan will be provided annually to administrators, personnel clerks, and members of the Employment

Committee. Such training will include instruction in proper use of the local applicant database and the Teach in Alabama applicant tracking system. Training materials will be maintained at the Central Office and available for review by new personnel or as otherwise needed.

XII. Concerns, Questions, or Comments

Concerns, questions, or comments about the Board's Personnel Plan, the hiring process, or other matters addressed in the Plan may be addressed to the Employment Committee and to the Superintendent. The Board's Personnel Plan is designed to benefit the school system as a whole and is not intended nor shall it be construed to confer or extend any rights, whether contractual or otherwise, upon any individual employee, prospective employee, or other interested person.

Comments:

No education majors signed up to interview nor came be to visit our booth. Students who were not education majors stopped to ask questions. All students seemed to have been prepared to ask specific questions of recruiters. Many of them asked how they would be able to gain employment with the school system even though they were not education majors.

Information about substitute teachers, fifth year programs, and adjunct possibilities were discussed. Information was provided to review certification information on the ALSDE website.

Employment Reminders:

- We cannot send you the recommendation sheet until the position closes – page 10.
- If you interview someone we did not recommend, we have to go back and check recommend for interview for our data to be correct and then resend you the recommendation sheet. This is in direct violation of the Employment Plan – page 9.
- If we send you someone that does not have HQ status, it is because we know they will currently become HQ soon or we have a path for them to become HQ.

Employment Reminders:

- The Employment Plan recommends a team interview process at each school - page 10. A team is more than two people.
- If we fail to make contact with you about a position posted at your school, please contact us and let us know the people you would like to interview in addition to the names we recommend – page 9.
- Remember, we must follow the employment plan. It is a federal requirement – page 9.
- Alternative certification paths should only be used with caution – not the norm. There are a lot of responsibilities for the local administrator to monitor with each alternative certification.

EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

It is the policy of the Calhoun County Board of Education that no person shall, on the grounds of race, color, disability, sex, religion, national origin, ethnic group, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or in any term or condition of employment.

Adopted: 04/19/83

Revised: 11/29/95

•What does this statement mean for you?

- You cannot ask a job candidate about their age.
- You cannot make comments about a job candidate's age – how old or how young.
- You cannot ask a potential candidate about their family.
- You cannot ask a potential candidate about their religious affiliation.
- Basically, you cannot ask any personal questions to any potential candidate.
- Keep in mind the small talk before the interview and after the interview counts as interview time. Be careful during this time.

Consent Decree Reminders:

“Fourteen of the District’s 18 schools have no African American certified staff: the other four schools have only one.” Page 6

- This is a direct quote from our new consent decree that you all received a copy of in July from Mr. Colvin.
- If this describes your school, please make a hearty effort to find a qualified minority candidate for any teaching position you have open.
- If you lose a minority candidate, you should replace the lost minority candidate with another minority candidate.
- Keep in mind for the consent decree; we are talking specifically about Caucasian and African American Candidates.

What is Discrimination

- In the context of civil rights law, discrimination means unfair or unequal treatment of an individual or group based on certain characteristics.

Federal law makes it unlawful for an employer to discriminate on the basis of

- Race
- Color
- Gender
- Age
- Disability
- National Origin
- Religion
- Pregnancy
- Genetic Information

It is illegal to discriminate in any aspect of employment, including

- Hiring and firing
- Compensation
- Assignment or Classification/Segregation of Employees
- Transfer, promotion, layoff or recall
- Job Advertisements
- Recruitment
- Testing
- Use of Facilities
- Training
- Benefits
- Pay, retirement plans, and disability leave
- Other terms and conditions of employment

Discriminatory practices also include:

- Harassment on the basis of race, color, religion, sex, age disability or national origin
- Retaliation for filing a charge of discrimination, participating in an investigation or opposing discriminatory practices
- Employment decisions based on stereotypes or assumptions about the abilities, traits or performances of individuals with a disability or of a certain sex, race, age, religion, or ethnic group
- Denying employment opportunities to a person because of marriage to, or association with, an individual belonging to a protected class

EEOC Charges

- EEOC Charge filings tell the story
 - Race is the most prevalent charge (about 50% of charges in Alabama)
 - Retaliation is second (over 40%)
 - Gender, age and disability are also common
 - Not many religious discrimination charges, national origin charges or genetic information charges
- Fastest growing category - retaliation
- Frequently, charges allege more than one type of discrimination

Title VII

- Prohibits employers from discriminating on basis of race, color, religion, gender, or national origin

Age Discrimination in Employment Act (ADEA)

- Cannot discriminate based on age with respect to any term, condition or privilege of employment
- Protects all persons over the age of 40

Pregnancy Discrimination Act

- Unlawful to discriminate on the basis of pregnancy, childbirth or related medical conditions

Genetic Information Discrimination

- Unlawful to discriminate on the basis of genetic information when it comes to any aspect of employment.
- Genetic information includes information about an individual's genetic tests and the genetic tests of family members, as well as information about the manifestation of a disease or disorder in an individual's family.

Americans with Disabilities Act

- The ADA protects employees and prospective employees with a disability from discrimination based on the disability
- The ADA prohibits employers from engaging in discriminatory or other unlawful practices in the hiring, managing, and termination of disabled individuals and imposes an affirmative obligation on employers, in some instances, to reasonably accommodate disabled applicants and employees
- To fall within the scope of the ADA, a person must be a qualified individual with a disability

Americans with Disabilities Act

- “Disability” is defined as:
- A physical or mental impairment that substantially limits one or more major life activity;
- A record of such impairment; or
- Being regarded as having an impairment

The employee or applicant must be capable of performing the essential functions of his or her job with or without a reasonable accommodation.

Americans with Disabilities Act

- In pre-employment inquiries, the employer is:
- Prohibited from asking questions about an individual's disability or questions likely to elicit information about an individual's disability;
- Permitted to determine whether the employee can perform the essential functions of the job
- The focus should be on specific job-related functions when interviewing applicants
- The ADA permits an employer to establish job related qualification standards, but those standards must not screen out or tend to screen out individuals on the basis of a disability, unless they are job related and consistent with a business necessity

Americans with Disabilities Act

While an employer has a duty to provide a reasonable accommodation, this duty is excused when it imposes an undue hardship on the employer

Americans with Disabilities Act

- Reasonable accommodation does not include:
 - ✦ Hiring additional employees;
 - ✦ Creating a new job;
 - ✦ Reallocating the essential functions of the job;
 - ✦ Allowing indefinite light duty;
 - ✦ Allowing an indefinite leave of absence

Americans with Disabilities Act

An undue hardship to the employer is defined as requiring significant difficulty or expense. It refers not only to financial difficulty, but to accommodations that are unduly extensive or disruptive, or to those that would fundamentally alter the nature or operation of the business.

Two Basic Types of Employment Discrimination

- Disparate Treatment
- Disparate Impact

Proof of Discrimination

- Direct Evidence

- Circumstantial Evidence

Prima Facie Case – Discrimination

- Belongs to a protected class
- Subjected to an adverse employment action
- Similarly situated comparators outside the protected class received more favorable treatment, not hired for a job or not terminated
- Replaced by someone outside the protected group or person hired was not within protected group

Note: A person can also establish a prima facie case if job remains open

Same analysis would apply to someone receiving a lower wage.

What is an Adverse Employment Action?

- Termination
- Not receiving a job
- Loss of salary
- Substantial and material change in the terms and conditions of employment

Who is similarly situated?

- Are the employees involved in or accused of similar conduct but disciplined in different ways?
- Comparator must be nearly identical to the plaintiff in all relevant aspects.

What happens if an Employee Establishes a Prima Facie Case?

- The burden shifts to the employer to articulate a legitimate nondiscriminatory reason for the employment decision
- Once a legitimate, nondiscriminatory reason is stated, the employee must prove that the reason is a pretext to hide discrimination

What is pretext?

- A plaintiff must show that the reason was false and that discrimination was the real reason.
- To prove pretext a plaintiff can show weakness, implausibilities, inconsistencies, incoherencies, or contradictions in the employer's proffered legitimate reasons for the decision.

Making Good Decisions

- Have good procedures and plans
 - ✦ Needs to have structure
 - ✦ Needs to be consistent
 - ✦ Should be simple, articulable and practical
 - ✦ It should work (if your process continually results in less than satisfactory employees, maybe it is the process!)

Making Good Decisions

□ Execute!

- ✦ A plan is no good if you don't follow it – in fact, it is the fastest way to end up in the courthouse
- ✦ Refer back to the plan or procedure
- ✦ Train employees who will be participating
- ✦ Use the tools you have created
- ✦ Be consistent

Making Good Decisions

□ Prepare to Articulate

- ✦ Need to be able to articulate your decision
- ✦ Articulate not only what the result is but how you got there
- ✦ Be able to explain rationale in a substantive way
- ✦ Don't be lazy! Conclusory sentiments (“Best fit for the job,” “Top candidate,” “Performed the best in the interview”) don't really help you.
- ✦ Go deep –ask what makes the candidate the “best fit,” the “top candidate,” or the “best interview” and those become your reasons

Typical Board Hiring Procedure

- Job is posted pursuant to Alabama Law
- Applications received and reviewed
- Interviews
- Recommendation
- Board Approval

Applications

BE CONSISTENT

- What information gets submitted?
- Who receives it?
- What is required for the job?
- How is the information received evaluated?

Selecting Applicants

AGAIN, BE CONSISTENT

- Develop a process in advance and follow it **every** time
- When deciding who to interview, look at the job description for the position, especially the minimum qualifications
- If someone doesn't meet the minimum qualifications, don't interview them

Interviews

□ Who should be interviewed?

- ✦ Only those who meet the minimum qualifications for the job
- ✦ BUT you don't have to interview everyone who meets them
- ✦ A good cross section of applicants – look at the applications and at experience, skill set etc.
- ✦ Remember, we can't get so lost in “covering our bases” that we lose focus on the goal – to find the very best person for the job

Interviews

□ Who does the interviewing?

- ✦ A team – one on one interviews are potentially disastrous
- ✦ The team should have an “expert” on hiring
- ✦ The team should have someone who knows about the specific skills needed for the job
- ✦ The team should have a broad generalist
- ✦ The team should be diverse
- ✦ The team should be trained on the interview

Interviews

□ Use a script for interviews

- ✦ Doesn't have to be a “word for word” script but it helps to be able to prove exactly what happened in an interview (there is no way you will remember each interview-but the person being interviewed may very well!)
- ✦ Ask the same questions (generally) – they can be a little flexible depending on answer but need to be in the ballpark
- ✦ Use the same script for the same positions – they can change from time to time as you need to refine them
- ✦ The consistency really helps in the event of a challenge
- ✦ It also creates a more fair process

Interviews

- Use of documentation or tools during the interview
 - ✦ Notes are important – they help you arrive at a decision and articulate the decision later but be careful and remember they are discoverable
 - ✦ Fill out all documents related to the interview and retain them
 - ✦ Be neat and spell names correctly, etc. – remember the documents will say as much about you as the person being interviewed
 - ✦ If a scoring system is used, make sure the person receiving the highest score is offered the position (duh!)
 - ✦ Scores should reflect the quality of the answers and should marry up with the notes
 - ✦ If scores are used, line applicants up on a list from first to last by average score

Interviews

- Don't ask certain questions (these are landmines)
 - ✦ Where are you from?
 - ✦ When did you graduate from college/high school ?
 - ✦ Do you have children? Planning on starting a family? Married?
What does your husband/wife do?
 - ✦ Where do you go to church? What holidays will you need off?
 - ✦ Any medical issues? Any physical limitations (but if a job requires certain physical requirements, may be permissible)?

Interviews

- Don't use certain words (these lead to landmines)
 - ✦ Man, woman, husband, wife, *anything* that has a gender connotation (don't ask if a woman would be comfortable "working with a bunch of men")
 - ✦ Black, white, Caucasian, Indian, brown, anything that has a racial connotation (don't ask if a black candidate would be comfortable working with white people!)
 - ✦ Old, young, middle aged, retired, ancient, a "long time ago" (whether referring to the candidate, their kids, siblings, spouses or whatever)
 - ✦ Strong, fit, disability, medical needs, "looks", handicap (don't ask if someone is strong enough to do a job!)

Treat Every Decision Like a Potential Lawsuit

- Make sure you have reasons for every hiring, promotion, or termination recommendation
- Make sure the answer to “why is this person the best applicant” is obvious and articulated
- Be honest and consistent
- Review and follow your own rules

Lee vs. Macon County BOE

CONSENT DECREE -

Annual Administrator Training

Calhoun County Schools

For more than 40 years

Calhoun County Schools has remained under the jurisdiction of the United States District Court in the desegregation case of *Lee vs. Macon County BOE*.

This presentation will:

- Provide some historical background regarding the court's jurisdiction
- Review the system's general obligations under the 2015 Consent Decree
- Review the Personnel Plan for Certified Positions and Anticipated Changes
- Review the Findings on Student Discipline and Anticipated Changes
- Focus on the role of administrators in fulfilling the remaining Consent Decree obligations

Let's start with a little history...

In the 1954 landmark decision of *Brown v Board of Education of Topeka*, the United States Supreme Court held that state laws establishing separate schools for students of different races were unconstitutional.

In 1963...

a federal lawsuit was brought in Alabama against the Macon County Board of Education on behalf of students seeking an end to the operation of a racially segregated school system.

As the case progressed...

the State was added as a defendant and the State Superintendent was ordered to require all Alabama school systems to desegregate their schools.

On October 23, 1969...

the U.S. District Court in *Lee v. Macon County BOE* ordered the Calhoun County BOE to file a proposed plan “for the complete disestablishment of its dual school system....”

A local plan was approved in 1971...

and the Calhoun County BOE has operated under a court-ordered desegregation plan since that time.

To be dismissed...

from a desegregation case a school board must show that it has complied with the court's orders and, in so doing, has eliminated the vestiges of past discrimination to achieve "unitary status."

The U.S. Supreme Court...

has identified certain factors that must be considered in determining whether a school district has achieved “**unitary status.**”

Courts must consider the Green factors:

- student assignment
- transportation
- extracurricular activities
- physical facilities
- faculty and staff

Green v. School Board of Kent County, 391 U.S. 430 (1968).

In addition to the Green factors...

federal courts must consider “quality of education” factors that relate to a student’s day-to-day experiences within a school.

Freeman v. Pitts, 503 U.S. 467 (1992).

In December 2009...

CCBOE entered a Consent Decree that addressed the *Green* factors and furnished a “roadmap to the end of judicial supervision” and a challenging a plan for achieving unitary status.

The Consent Decree

is a binding agreement between the plaintiffs, the U. S. Department of Justice, and the school board that was approved by the Court and now operates as a Court Order.

The 2009 Consent Decree

- End of its term in 2014
- Parties reviewed progress and whether unitary status had been achieved
- The Court decided that much progress was made but in a few areas, there was still work to do

In February 2015 . . .

The parties entered into a new Consent Decree and it was approved by the Court.

A copy of the Decree is being provided to each school with the handout.

In The 2015 Consent Decree...

The Court granted partial unitary status in areas of

- ❖ Student Assignment
- ❖ Transportation
- ❖ Extracurricular Activities
- ❖ Facilities

and withdrew “its jurisdiction of those areas of the case”

The Two Areas of Continued Jurisdiction

- Faculty & Staff
- Student Discipline

Faculty & Staff By the Numbers

- CCBOE did not make anticipated progress in faculty and staff hiring.
- Committed to three more years of judicial supervision.
- The foundation of the personnel component is the Personnel Plan.
- Will improve the Plan where needed and focus on execution.

The Personnel Plan

- ***Calhoun County Schools - Personnel Plan for Certified Positions –***
 - Addresses recruitment, hiring, assignment, and retention of certified personnel.
 - Emphasizes recruitment of a diverse teaching force.
 - Provides an applicant database for tracking and monitoring hiring efforts.
 - Centralizes the application process and establishes an employment committee.

Additional Obligations – Faculty & Staff

- Hire a Faculty Equity Consultant
 - ❖ Southeastern Equity Center – Drs. Roberts and Elam
- Revise Personnel Plan (where needed) to
 - ❖ Clearly describe diversity goals
 - ❖ Follow uniform policies
 - ❖ Provide for targeted recruitment and hiring
 - ❖ Describe incentives (if any)
 - ❖ Ensure equitable distribution of minority staff
 - ❖ Require training
 - ❖ Improve tracking process

Additional Obligations – Faculty & Staff

- Implement Professional Development and Mentorship Program
 - ❖ Cultivate and Train Administrators
- Develop Annual Training
- Designate a “Point Person”
 - ❖ Holly Box
- Provide a Status Report each October 15

The Court Report due annually on October 15 must include...

- ❑ Description of targeted recruitment efforts
- ❑ A report of current certified personnel with counts and percentages by school and by race
- ❑ A detailed report of applicants, persons interviewed, job offers, and hires by race for all certified position vacancies
- ❑ Training materials and information
- ❑ Names and positions of those trained and dates trained
- ❑ Summary of participation in Professional Development and Mentorship Program

Reports on applicants, interviews, and hiring decisions are made possible by our unique Applicant Database.

Example of Data from Last Year

	# Applicants	% Applicants

Black	263	12.3%
Other	65	3.0%
Total	2139	

	# Applicants	% Applicants

Total	88	76	86.4%	9	10.2%	3	3.4%

Student Discipline Disproportionality

- Disproportionality – the percentage of students of a specific ethnicity or race found in a specific category is significantly greater or significantly less than the percentage of that specific ethnicity or race found in the general population
- Overrepresentation – exists when a group is represented in a specific category at a higher rate than its population average

Student Discipline Findings

- “African American students were significantly more likely than White students to be referred for disciplinary action and to be subject to exclusionary consequences.”
- Disparity “was most evident for minor infractions and existed across multiple categories of consequences, including in-school detention, out of school suspension and corporal punishment.”

Student Discipline Steps

- Hire Discipline Equity Consultant
 - ❖ Southeaster Equity Center – Drs. Roberts and Elam
- Review Discipline Procedures and Recommend Revisions
 - ❖ Specify appropriate behavior and strategies to reach behavior goals
 - ❖ Clear guidelines on discretionary discipline
 - ❖ Limit use of exclusionary discipline (suspensions, expulsions) by using alternatives
 - ❖ Discipline should minimize loss of instruction and permit make-up work
 - ❖ Specific criteria for returning after exclusionary discipline

Student Discipline PBIS

- Develop and Implement PBIS
 - ❖ CHAMPS Program
 - ❖ Teams from each school being trained
 - ❖ Will train faculty and staff at each school
 - ❖ Everyone has to be trained
 - ❖ BUY IN AND USE IT

Student Discipline Data Collection

- Number of referrals
- Specific conduct for each referral
- Outcome of referral and reasons for outcome
- Person who made referral and who decided sanction
- Positive behavioral supports and pre-referral action
- Name, race, ethnicity, sex, disability and grade of student referral and others involved

Must be stored electronically and
evaluated by Discipline Administrator

Student Discipline Analysis

- Discipline Administrator will analyze data
 - ❖ Identify racial disparities in referrals and outcomes
 - ❖ Investigate cause of disparities, other contributing factors, needs of affected students and take appropriate steps
 - ❖ Identify and address other areas of concern

The Court Report due on October 15 must also include...

- Annual status report describing activities and steps taken
- Report of Discipline Data (See Data Collection Slide)
- Handouts and materials used in PBIS training
- Documentation for training

Make sure EVERY instructional employee gets the training!

The New Factor - Discipline

- Efforts under the former decree did not include discipline
- Have to rethink approach to discipline
- Consultants working with the Board to identify strategies and changes
- PBIS training going on
- Code of Conduct changes may result
- Accountability

We still have some work to do.

□ **And your role remains pivotal...**

Substantial effort and commitment are required to achieve the goal of unitary status and much of that work falls to our school administrators.

Goals and requirements of this effort should be actively considered in your decisions in the areas of personnel and discipline.

This effort is more than aspirational – the Board, the parties and the Court expect execution of the Personnel Plan and the measures being developed under the Decree.

***The Personnel Process
Discrimination Claims &
Making Good Decisions***

What is Discrimination

- In the context of civil rights law, discrimination means unfair or unequal treatment of an individual or group based on certain characteristics.

Federal law makes it unlawful for an employer to discriminate on the basis of

- Race

- Pay, retirement plans, and disability leave
- Other terms and conditions of employment

Discriminatory practices also include:

- Harassment on the basis of race, color, religion, sex, age disability or national origin
- Retaliation for filing a charge of discrimination, participating in an investigation or opposing discriminatory practices
- Employment decisions based on stereotypes or assumptions about the abilities, traits or performances of individuals with a disability or of a certain sex, race, age, religion, or ethnic group
- Denying employment opportunities to a person because of marriage to, or association with, an individual belonging to a protected class

EEOC Charges

Title VII

- Prohibits employers from discriminating on basis of race, color, religion, gender, or national origin

Age Discrimination in Employment Act (ADEA)

- Cannot discriminate based on age with respect to any term, condition or privilege of employment
- Protects all persons over the age of 40

Pregnancy Discrimination Act

- Unlawful to discriminate on the basis of pregnancy, childbirth or related medical conditions

Americans with Disabilities Act

- The ADA protects employees and prospective employees with a disability from discrimination based on the disability
- The ADA prohibits employers from engaging in discriminatory or other unlawful practices in the hiring, managing, and termination of disabled individuals and imposes an affirmative obligation on employers, in some instances, to reasonably accommodate disabled applicants and employees
- To fall within the scope of the ADA, a person must be a qualified individual with a disability

Americans with Disabilities Act

- “Disability” is defined as:
- A physical or mental impairment that substantially limits one or more major life activity;
- A record of such impairment; or
- Being regarded as having an impairment

The employee or applicant must be capable of performing the essential functions of his or her job with or without a reasonable accommodation.

Americans with Disabilities Act

- In pre-employment inquiries, the employer is:
- Prohibited from asking questions about an individual's disability or questions likely to elicit information about an individual's disability;
- Permitted to determine whether the employee can perform the essential functions of the job
- The focus should be on specific job-related functions when interviewing applicants
- The ADA permits an employer to establish job related qualification standards, but those standards must not screen out or tend to screen out individuals on the basis of a disability, unless they are job related and consistent with a business necessity

Americans with Disabilities Act

While an employer has a duty to provide a reasonable accommodation, this duty is excused when it imposes an undue hardship on the employer.

An undue hardship to the employer is defined as requiring significant difficulty or expense. It refers not only to financial difficulty, but to accommodations that are unduly extensive or disruptive, or to those that would fundamentally alter the nature or operation of the business.

Americans with Disabilities Act

- Reasonable accommodation does not include:
 - ✦ Hiring additional employees;
 - ✦ Creating a new job;
 - ✦ Reallocating the essential functions of the job;
 - ✦ Allowing indefinite light duty;
 - ✦ Allowing an indefinite leave of absence

Proof of Discrimination

- A plaintiff must show that the reason was false and that discrimination was the real reason.
- To prove pretext a plaintiff can show weakness, implausibilities, inconsistencies, incoherencies, or contradictions in the employer's proffered legitimate reasons for the decision.

□ Use a script for interviews

- ✦ Doesn't have to be a "word for word" script but it helps to be able to prove exactly what happened in an interview (there is no way you will remember each interview-but the person being interviewed may very well!)
- ✦ Ask the same questions (generally) – they can be a little flexible depending on answer but need to be in the ballpark
- ✦ Use the same script for the same positions – they can change from time to time as you need to refine them
- ✦ The consistency really helps in the event of a challenge
- ✦ It also creates a more fair process

Interviews

- Use of documentation or tools during the interview
 - ✦ Notes are important – they help you arrive at a decision and articulate the decision later but be careful and remember they are discoverable
 - ✦ Fill out all documents related to the interview and retain them
 - ✦ Be neat and spell names correctly, etc. – remember the documents will say as much about you as the person being interviewed
 - ✦ If a scoring system is used, make sure the person receiving the highest score is offered the position (duh!)
 - ✦ Scores should reflect the quality of the answers and should marry up with the notes
 - ✦ If scores are used, line applicants up on a list from first to last by average score

Interviews

- Don't ask certain questions (these are landmines)
 - ✦ Where are you from?
 - ✦ When did you graduate from college/high school ?
 - ✦ Do you have children? Planning on starting a family? Married?
What does your husband/wife do?
 - ✦ Where do you go to church? What holidays will you need off?
 - ✦ Any medical issues? Any physical limitations (but if a job requires certain physical requirements, may be permissible)?

Interviews

- Don't use certain words (these lead to landmines)
 - ✦ Man, woman, husband, wife, *anything* that has a gender connotation (don't ask if a woman would be comfortable "working with a bunch of men")
 - ✦ Black, white, Caucasian, Indian, brown, anything that has a racial connotation (don't ask if a black candidate would be comfortable working with white people!)
 - ✦ Old, young, middle aged, retired, ancient, a "long time ago" (whether referring to the candidate, their kids, siblings, spouses or whatever)
 - ✦ Strong, fit, disability, medical needs, "looks", handicap (don't ask if someone is strong enough to do a job!)

Treat Every Decision Like a Potential Lawsuit

- Make sure you have reasons for every hiring, promotion, or termination recommendation
- Make sure the answer to “why is this person the best applicant” is obvious and articulated
- Be honest and consistent
- Review and follow your own rules

Guidelines for Success:

- Students will work in AMSTI groups to complete learning objectives.
- Students will be working collaboratively towards a common goal.
- Students will understand the day’s objective.
- Students will be able to answer questions and explain what they have learned.

Posted Rules:

Students should do the following:

- Come to class prepared with proper supplies.
- Ask questions by raising hands.
- Ask questions to group members in a low voice.
- Pay attention to important information being delivered.
- Move when directed.
- Work as a team.

Attention Signal:

- Raising/clapping of the hand
- Call attention in a voice that can be easily heard.

CLASSROOM MANAGEMENT AND DISCIPLINE PLAN

CHAMPS Expectations for Classroom Activities and Transitions:

In a medium level of structure environment, students should use silent or low voices within their groups or independent work and discuss only with group members (if group work is required). Each student in the group has a role (recorder/reporter, facilitator, resource manager, understanding coordinator). For help, students ask their group members first and then the teacher by raising their hand. Students should only move when directed by the teacher. They should all be working as a team in order to achieve success.

Encouragement Procedures (Motivation):

- Students get to experiment with fun and exciting investigational problems.
- Students are motivated with whole class games and device time.
- Encouraging words and notes from the teacher.
- Positive notes sent home to parent/guardian via paper, e-mail, or social media messaging.
- Allow students to assist with daily routines such as collecting papers, organizing materials, etc.

Correction Procedures for Misbehavior (both early-stage corrections and rule violation consequences):

Early-Stage Correction Procedures:

- Verbal warning
- Teacher/student conference
- Change of seat (closer to the teacher)
- Call home to parent/guardian

Rule Violation Consequences:

CLASSROOM MANAGEMENT AND DISCIPLINE PLAN

Beginning and Ending Routines:

1. Routine for how students will enter the room: **Students will enter the room in an orderly manner. They will find their assigned seat, get the proper materials on their desk, and begin bellringer exercises. This should be done quietly without distracting others. They will enter the room from left to right to get their notebooks out of the binds. All textbooks are stored on classroom tables.**
2. Routine for how students will be instructionally engaged while attendance is taken and for how opening business is conducted: **Students complete a bellringer each day. This activity usually takes about 5 minutes to complete at the beginning of class while the teacher calls roll and daily itinerary is discussed.**
3. Routine for dealing with tardy students: **Students' names will be entered into INOW to keep record of class tardies. Students that intentionally come to class tardy will be marked tardy and kept in class. Coach Herbert will be notified.**
4. Routine for dealing with students who come to class without necessary materials: **Students are reminded to bring all materials to class everyday. If students are missing pencil, then the teacher will loan them one for the class period. If the student is missing paper, then the teacher will provide paper. If the student is missing a textbook, then they will receive an extra textbook in the classroom for the class period.**
